Story # 2 Past Simple

Уровень: **ELEMENTARY**

What do the scars say?

Try to predict what the story can be about.

If you look at my arm you can see a scar... And everybody asks me: What is it??

It **happened** last summer. I **made** breakfast and **decided** to give some food to my dog. In that morning the dog **didn't feel** so well. He **had** problems with eyes, his nose **became** pink and appetite **was** bad. The medicine **didn't help** him. I **gave** him a piece of ham and then something **went** wrong... I **gave** the second piece and then he **rushed** and ... **bit** me! My hand was totally bleeding. A month later my arm **skinned** over, but the dog's eye **didn't**. He **became** totally blind... It **turned** out that it **was** because of his genetic disease. He **was** very aggressive because he **didn't see** and **smell** well, he **didn't recognize** me at that very moment...

Scar - шрам

To bite - кусать

To skin over - зарубцеваться

Blind - слепой

Genetic disease – генетическое заболевание
